

Finding and citing material to use in your online modules

Health Education Assets Library (HEAL) - <http://www.healcentral.org/index.jsp>

- Over 22,000 medical education resources: images, tutorials, animations.
- Items are free for use according to Creative Commons license associated with each resource: see the *Detailed View* for that resource on the HEAL web site.
- Cite using a caption with image credit, title, link, and licence information:
Christine Lawrence, MD, FACP, “[Sickle Hemoglobin and Sideroblastic Anemia](#)” licensed under Creative Commons [Attribution-NonCommercial-NoDerivs 2.0 Generic](#).

MedEdPORTAL - www.mededportal.org

- Peer-reviewed medical teaching materials, assessment tools, tutorials, virtual patients, simulation cases, lab guides, videos, podcasts, and faculty development resource.
- Items are licensed with Creative Commons for non-commercial uses.
- Cite as shown in detailed abstract view for each resource:
Orton, E., (2007). Polypharmacy in Older Adults. MedEdPORTAL:
<http://services.aamc.org/30/mededportal/servlet/s/segment/mededportal/?subid=278>

Wellcome images - <http://images.wellcome.ac.uk>

- Historical and contemporary images: disease, surgery, general healthcare, sciences from genetics to neuroscience, full range of imaging techniques.
- Free for use in teaching materials: images with the credit line *Wellcome Library, London*. (NOTE: this *does not* apply to all images at the site; only those with the credit line *Wellcome Library, London*).
- Cite using a caption with image credit, title, and licence information:
Wellcome Library, London, “Lung emphysema” licensed under [Creative Commons by-nc 2.0 UK: England & Wales](#).
