

Representativeness - Texas A&M University-Kingsville

Before closing the LibQUAL+(TM) survey at your institution, you are required to provide some basic demographic data about your institution. The data that you provide will be used to determine the representativeness of your survey sample once the survey is completed. That analysis will only be as accurate as the information that you provide in the spaces below, so please be thorough when filling out this demographic page.

Please enter the **number of persons** at your institution in each of the following categories.
